About Tokyo Midtown

[Tokyo Midtown](#) is a mixed-use development that opened on March 30, 2007, in the Roppongi area of Tokyo. It boasts world-class lodging, museums, offices, residences, medical facilities, as many as 130 stores, and more.

About Us

bitFlyer is the largest virtual currency and blockchain company in Japan, having received investments from SMBC Venture Capital, Mizuho Capital, Dai-ichi Life Insurance, Mitsubishi UFJ Capital, Mitsui Sumitomo Insurance Venture Capital, Recruit Strategic Partners, Dentsu Digital Holdings, SBI Investment, GMO VenturePartners, QUICK, and Venture Labo Investment, among others. We operate the bitFlyer integrated virtual currency platform, conduct blockchain research, and perform research and development on new service applications of our “miyabi” blockchain, with the objective of innovation through virtual currency/blockchain technology development for the FinTech sector.
